**We will showcase the current social issue programs addressing DEI we
have recently created and ask for your input.**

As a community leader we would like to invite you to see new ACT Out programs for schools, organizations, and corporations regarding topics of Diversity Equity and Inclusion. DEI is at the forefront of today's society and ACT Out has never shied away from presenting and discussing social issues. The ACT Out Ensemble believes in the transforming power of live, improvisational theatre to engage, educate, and entertain audiences on prevalent social issues. We cast light on problems, creates conversations, and identifies solutions for everyday situations. We turn trainings into experiences that are engaging and entertaining.

Founded in 1995, the ACT Out nonprofit Ensemble has already helped transform the lives of more than 500,000 through the unique power of live social-issues theatre,
